Work Experience

■ 7/2020 - present

FULL STACK DEVELOPER

Manir

Manir - Tabriz, Iran As a Full Stack Developer at Manir Company, I specialized in building robust web applications using modern technologies. Leveraging my expertise in React.js and Next.js on the frontend, I crafted dynamic and responsive user interfaces that enhanced user experience. On the backend, I utilized Golang to develop efficient and scalable server-side logic, integrating Redis for caching to optimize performance. Managing data storage and retrieval, I proficiently worked with MongoDB, maintaining database integrity and performance. My role involved collaborating with cross-functional teams to deliver high-quality solutions that met business objectives effectively.

■ 11/2018 - 7/2022

FULL STACK DEVELOPER & TEAM LEADER

Virageek

Virageek - Tabriz, Iran At Virageek, I excelled in Full Stack Development, proficient in React.js for frontend and Express.js for backend. With MongoDB, I managed data architecture efficiently. I mentored young talent, fostering a collaborative environment. Additionally, I pursued freelance projects and collaborated with startups, expanding my expertise.

■ 3/2017 - 11/2021

FULL STACK DEVELOPER

Prolar

Prolar - Tabriz, Iran At Virageek, I specialized in Full Stack Development, employing React.js, Express.js, and Meteor.js for frontend and backend tasks. Utilizing MongoDB, I efficiently managed data structures. Moreover, I led a startup initiative in the education sector, applying

my expertise to develop innovative solutions. I also played a pivotal role in guiding team members, fostering a collaborative atmosphere. Outside my core responsibilities, I actively pursued freelance endeavors, continually enhancing my skill set and industry insights.

■ 3/2012 - 12/2016

FRONTEND DEVELOPER

Sarab Tarh Khorshid

Sarab Tarh Khorshid - Tabriz, Iran At Sarab Tarh Khorshid, I began my journey as a Junior Web Developer, focusing on frontend development with JavaScript, HTML, and CSS. Working collaboratively, I contributed to the creation of dynamic and visually appealing web experiences. Through hands-on experience and guided mentorship, I gained valuable insights into web development practices and honed my skills in crafting user-friendly interfaces.
